What do I want for my future? (Your vision and life goals)

What interests and personal strengths do I have that might support my goals?

What are the barriers that might prevent me from achieving my goals?

What education choices can I make in order to achieve these goals?

In Year 11 what subjects and learning opportunities might support my pathway?

Would these choices lead me to some Year 12 subjects I might need?

Who are the people who might help me answer these questions?

Questions I might like to ask the Academy Enrolment Counsellor:
